

General (work) instruction

WorkCamp from 21 - 29 August 2021 in Sehlis

- 1) The fulfilment of the given tasks makes this week possible, remember, we want to create something together.
 - 2) Please do not give in to spontaneous exuberance, but always follow the motto: "Think first, then act". Especially borrowed tools should only be used according to their purpose. If you don't know how to use something, ask!
 3. working time is from 9 a.m. to 3 p.m. Break time is around noon and will be opened at the given time by the organising team.
 4. everyone has to wear appropriate work clothes during working hours. Gloves are to be worn, if necessary respiratory protection for grinding and chiselling work.
 5. start work sober! Alcohol consumption is strictly prohibited during working hours and planned leisure activities. 6.
 6. everyone fulfils the tasks assigned to them, except in specific individual cases (injuries, allergies, ...).
 - 7) The instructions of the "preparers" must be followed without fail; in case of doubt/question, please contact the day leader or, if on site, experts.
 8. every extraordinary incident has to be reported immediately!
- Otherwise, we wish you a good time, lots of fun and be careful!
